The Elden Ring is an action RPG based on the “Elden Ring” novel series. You can grow your character via a variety of various game play elements, such as PvP, Player versus Player (PvP), PvE and various game play modes. The multiplayer feature allows you to directly connect with other players and travel together, while the asynchronous online element supports you to feel the presence of the other players while traveling together. ABOUT ELDEN RING SERIES: The “Elden Ring” series is a popular fantasy story featuring a lighthearted theme of young high schoolers striving to overcome their differences and become a Hero. The series draws on the genre of “poe”, in which a series of dramatic and mythical events are interspersed with the feelings and emotions of the characters, blending fiction and drama. The “Elden Ring” franchise has been appreciated in Japan since 2011, and it has been continued as a manga with the blessing of Yoshitaka Amano, the creator of “GRANBLUE FANTASY”. ABOUT YOSHITAKA AMANO Yoshitaka Amano is a Japanese visual artist, best known for his work as a concept designer for the Final Fantasy series, as well as for the original illustrations for the D&D role playing game. Amano has also produced numerous manga and illustrations for various publications, and he has worked as a character designer, background artist, animator, supervisor, editor, producer, composer, and game designer for video games. ABOUT GAMES FANH. FANH is a game company based in Tokyo, Japan. Founded by former SQUARE ENIX employee, Hiroaki Kitajima, in 2009, the company focuses on the development of 3D content based on their knowledge of creating games for the Japanese market, and while currently specializing in social gaming. What's new:

An action RPG that blends the scale of World of Warcraft with the mechanisms of Final Fantasy XIV, as well as the glorious story of Final Fantasy XV. Do you want to be an Elden Lord and wield the destiny of the Elden Ring?

The best part about the Elden Ring is that you can finish it on your own pace. You do not need to wait for other players. However, it is still possible for everyone to collaborate on sharing the common truths of the legend of Elden.

Final Fantasy XV

06.10 - 2016-Oct-17 Copyright © Square Enix More than fifty spells... including high level ones... and a boost. Become an amazing magician. There are tons of magic spells on Final Fantasy Tactics: War of the Lions. Players can create 7 classes. Defend against various kinds of enemies with the magic spell system itself, created with real magic. EXO-EXO, Phoenix Down Gravity, Vacuum Flash Time Loop, Multi-Missile > Story Power (Contains the following: "Real Magic", "Crest", "Exo-Exo" etc.) Retrieving Gravelight brings the current story to its conclusion. Defeat the BBS troops by deploying your troops, and complete the cleared area. For the first time, a new continent has opened up! > More About the "Real Magic" Gimmick A mini-game that combines the thrill of battle with the thrill of magic. On the way, you will encounter the existing battles, and learn how to use different magic spells in battle. It allows you to use magic spells of various levels, and they satisfy each other's goals. Each character has abilities that are activated when certain conditions are fulfilled. By using these abilities, players can use different battle effects. Each magic spell in Final Fantasy Tactics: War of the Lions also has 2 effects. Exo-Exo For defense, weapon dodge against enemies, or defense. Gravity For a counterattack, rapid fire, or an explosion. Phoenix Down For counterattack, water-type ammunition, or a fire attack. Vacuum Flash For quick movement, anti-aircraft, or movement against Oni.
