The most terrifyingly insidious software-laden app on iTunes is an app known as TuneIn radio. CNET. After installing this app, you must set it to TuneIn Radio as your default program, then it is very user friendly. Unlike other radio apps, it will hear everything on the radio, will open up Pandora, iHeartRadio, and other streaming radio apps. Despite being available for years, the app was still not included by default on iOS devices until the arrival of iOS 7 in September 2013. This application makes the sound quality better than the others. You can also switch the song being played on your device to a piano. Open it on your iPhone or iPad (there are both desktop and mobile versions available) and tap the green play button. Play a song in the app and pause it. After that, tap the title of the song that you want to set, and then tap again to change the song. Then, if you want, you can listen to the music and the lyrics of the artist while you are working or relaxing. If you have a Mac, you can also enjoy music with Apple Music. You can choose from a variety of genres, search the world's music libraries and get the songs you want. And, if you buy a song, you can send it to another Apple Music account to play. How to set up Apple Music You can also pay for the service with the Apple Pay option in iTunes. But, if you don't use Apple Pay at all, you can buy songs with iTunes after signing up. An Apple account is all you need. If you do not have an Apple account, you will be directed to the iOS store. Tap on "Free to try" to sign up for the service. In the meantime, you can go to your Apple Music site to see the catalog of songs. After you buy the music, go to Apple Music or email music@apple.com to make your payment. You can also

do this after visiting your Apple Music account. Click on the tab with "Your purchases," and then click on "More," and scroll down to "Pay." Choose either Apple Pay or a gift card, and then enter the number. Pick "I have an Apple Pay Card" if you have one. Tap "Confirm" and then enter the card number and card expiration date. You can also pick a gift card if you don't have an Apple
