Elder Scrolls Online is a massively multiplayer online role-playing game (MMORPG) set in the rich and expansive worlds of the Elder Scrolls series. It is developed by Bethesda Game Studios, and published by ZeniMax Online Studios. **CREATE YOUR CHOSEN DEATHMATCHERS AND ARISE** ESO Story: Rise in the Lands Between and become a legend. You are not just a member of a noble family, but a hero of legend. And that's no small thing. The heroes of the world are nearly all gone, but from out of the fray emerged a new generation of heroes. As the last of a dying race, you are left with no other choice but to take up arms and become an Elden Lord. **CONNECT, FIGHT, AND EXPLORE** Online: From the idyllic homes of Tamriel to the forsaken dungeons deep beneath Oblivion's rule, the Lands Between await. They stand as a mirror of the forces that threaten the surface world, as well as home to a strange civilization of enigmatic crafts known as the Tuatha. Explore a Universe Full of Adventure ESO Story: There are many ways to survive in this new world. From exploiting the wilderness, to uncovering lost relics of the Elder Scrolls, to waging a war against the Night King's Darkwraiths. Join a community in an online role-playing game that demands your full attention. Battle Evil ESO Story: Prove your worth against evil across two maps: Ayla and Moria. Earn new weapons, armor and epic gear from legendary places like the Riesencoste. Engage in All-Out PvP Adventures ESO Story: The Elder Scrolls Online features the brand new PvP system, allowing you to get into all-out fighting matches against thousands of other players in massive Arena Matches. There are four different PvP game modes: Battlegrounds, Arenas, Skirmishes and Player versus Environment (PvE). A maximum of four players can join a Battleground, and
