Gameplay[edit]. Hannah fights the Vice boss. Up to three players can play at the same time, controlling their own . Tomb Raider: Underworld - Reissue. Having enjoyed the glory, she decides to start a career as a bodyguard. However, everything ends as soon as it starts. Apex mercenaries kill everyone in a row, leaving only Lara alive. She urgently needs to get to the headquarters of Apex, located in Iceland. To get there, you need to go through all five levels of the game. In the Underworld mission, Lara finds herself in the heart of the Apex. At the start, Lara can choose who she wants to be in each level:
